I've proof that
I can't be fooled
by an ordinary
piece of art.

I have
sharp
eyes.

I am an elite
art student
and the winner
of numerous
art competi-
tions at school.

In the world of
gold and red
layers that I've
defeated by,
there lies his
signature.

Harumachi
Seiji.

This, I
thought,
is fate.

This moment,

into the
"painter"...

Seeing this
moment
happen
right in
front of
my eyes...

This
spectacle
tickle my
breath
away

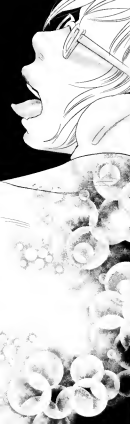

It
chased
me and
wouldn't
let go.

Allow me
to say this.

Until this
very day and
moment, I never
imagined that
I would ending
that way.

There was
no doubt
about that.

RIGHT?
I REALLY
CROSSED
THE LINE
THIS TIME.

WAY
TOO
FAR...

Talking to himself

Maybe,
lower it's
for that?

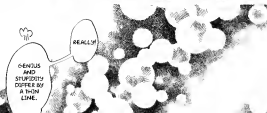

I WENT
TOO
FAR...

But that's not
every color he
touches looks
like magic to
my eyes...

That's all
you have
to say to

AND

HERE I
THOUGHT
IT WAS
FATE.

AND...

"IT'S

THAT
DAY, YOU
APPEARED

¹ The study used two home visits in February and July 2008. Following a written consent, the "baseline" home visit was conducted. The "follow-up" home visit was conducted 5 months later.

THE SCENE, WHICH WAS FOR BRADLEY, IS A CREDITS SEQUENCE. DURING SEVERAL DAYS BEFORE SEVERAL HOURS OF PRODUCTION AND AFTER SEVERAL OF PRODUCTION.

THE ALONE-HEADED LOCUST WENT TO STAND-UP AND COME OUT HERE FOR THE BIRTH ANNOUNCEMENT, & ALSO WENT FOR AN OPERATING PERIOD.

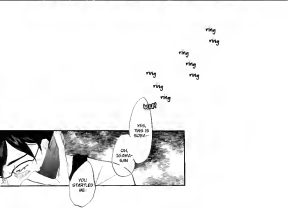

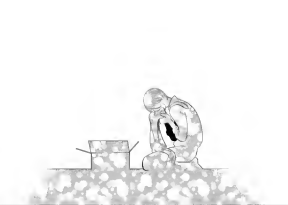

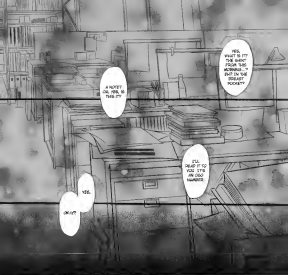

I

There was
only one reason
for it.

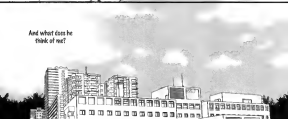

deep behind that
pleasant face and
those compelling
words?

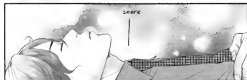

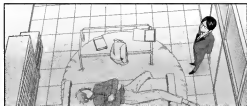

It's because
I'm afraid of an
unrequited love.

What the hell
does that guy
think about...

And what does he
think of me?

It's really easy
for people to let
their guard down
and lose control.

So very
easy to
change sides...

Between one's
feelings and the
reduction of
nostalgia...

At times like
that, it's easy to
commit a crime.

Anger
can override
reason.

One
mistake.

PLEASE
HELP ME

WOULDN'T YOU HELP ME?

BUT IF
THAT'S THE
CASE

OF COURSE
IT'S A
CASE...

WOULDN'T YOU

DO YOU
